

SUPRIYA LIFESCIENCE LTD.

Pioneering pharmaceutical excellence through API, CDMO/CMO, and FDF solutions

Finished dosage division of Supriya Lifescience, a full-service generic arm with strong roots in India and a growing globally.

We develop and deliver top-quality products to our partners and customers across the globe. We are constantly working on innovative ideas to drive change in our industry and around the world. Our approach is anything but generic and when we work together, that makes all the difference.

ABOUT US

We work on the possibilities to be first and always driven by a passionate, creative and entrepreneurial energy.

We strive to put our hearts into everything we do. Our customers and partners around the world trust us because we're transparent and reliable.

We get things done right. Our team bring a wealth of expert knowledge and experience to every endeavour.

We walk the talk; we have the underlying strength, dedication and motivation to deliver on our promises.

We are always learning from others and listen to our customer's needs.

Our employees are — well travelled, well rounded and well informed.
